STEELSERIES DESMO

SteelSeries DESMO Gaming Eyewear has a unique semi-rimless design to minimize peripheral distractions. The unique design provides an exceedingly broad visual field that allows the user to completely focus on the screen. The sleek frame features flexible twin-rail temples combined with adjustable nose pads to provide a lightweight, stable fit. As an added benefit for gamers, ultra-slim temples rest comfortably beneath a gaming headset. The co-branded eyewear, features GUNNAR's by GUNNAR i-AMP lens technology all designed to improve visual efficiency, endurance, and recovery during gaming sessions.

KEY FEATURES

- Ultra slim temples distribute headphone pressure to ensure headset compatiibility;
- Rimless frame design minimizes distraction in the peripheral field of view and decreases the overall eyewear weight;
- Lightweight construction and proper weight balance guarantee long wearing comfort without pressure points or fatigue;
- Adjustable floating nose pads articulate in 3 dimensions to properly fit and comfortably secure eyewear in place;
- Wide format lenses create a panoramic viewing field for high resolution viewing.
